

Health and Safety Information for Visitors

Lafleche Environmental is committed to the health and safety of all workers, contractors, customers and the general public. As Lafleche Environmental visitors, we expect your full cooperation with the rules and regulations set out for our site.

- **Observe posted speed limits:**

- The public access road from Hwy 138 to our site has a posted speed limit of **50km/hr**.
- All service roads on site have a posted speed limit of **19km/hr**.
- No passing moving vehicles.
- Pay special attention to all road/warning signs.

- **ALL vehicles must stop at the red lights** (there is a red light prior to entering and exiting the site), **this includes all small vehicles and vehicles that are not using the scale.**
- Non-essential vehicular and foot traffic is prohibited in all areas of the site. All vehicles must remain on the onsite service roads and shall not tour the site unattended.
- Smoking is strictly prohibited near fuel tanks, propane tanks, in the landfill, in the compost facility and compost yard, at the leachate treatment facility, in any enclosed space and in Lafleche vehicles and equipment.
- No littering.
- Scavenging, salvaging and reclamation activities are strictly prohibited.
- Always look out for pedestrians.
- Ensure eye contact is maintained at all times with spotters and vehicle/equipment operators.
- Report all hazards to the area supervisor or scale house attendant.
- Vehicle and equipment lights shall be on at all times while on site as visibility can be reduced due to inclement weather.
- Horseplay, violence and harassment is strictly prohibited and will not be tolerated.
- Firearms, and/or weapons of any type are not allowed on the property.
- The use or distribution of intoxicating beverages or any other restricted substance on the site is strictly prohibited.
- Photography is prohibited unless there is written permission from a Company official.
- Report all spills.
- **Report all injuries, no matter how minor.**
- Seat belts are required onsite.
- No one under the age of sixteen (16) is allowed outside of a vehicle, anywhere on site. All passengers must remain inside the vehicle. No pets.
- Any person working at heights greater than ten feet (10') or where there is a risk of falling greater than ten feet must wear the appropriate fall protection/fall restraint equipment. The employer is responsible to provide the fall protection equipment and training.
- Personal protective equipment (Lafleche carries a limited supply of PPE for visitors) are the property of Lafleche and must be returned prior to leaving the site.

**This is the
required
P.P.E.*
for the site!**
