-----------------	--

DISCLAIMER

Acknowledgement: The customer and/or its brokers/contractors acknowledge that the information provided in this profile as well as all other supporting analytical results are a true and accurate representation of the waste to be shipped to Lafleche Environmental Inc. The customer understands and acknowledges that the failure to properly describe the waste material could result in the need for Lafleche Environmental Inc. to incur expenses (administrative, professional, legal, regulatory, penalties, fines and orders) in order to properly dispose of the waste and to comply with the applicable legislation. The customer agrees to indemnify Lafleche Environmental Inc. for all costs that may arise from the misrepresentation of the waste material.

The Customer hereby confirms that the waste material to be delivered to Lafleche Environmental Inc. meets the Ontario Ministry of the Environment Regulation 347 and Regulation 558 criteria as a solid, non-hazardous waste.
